

Instructions for Android Devices

- First, download the free Flipster app, by searching the Google Play store on your Android device for “Flipster”.

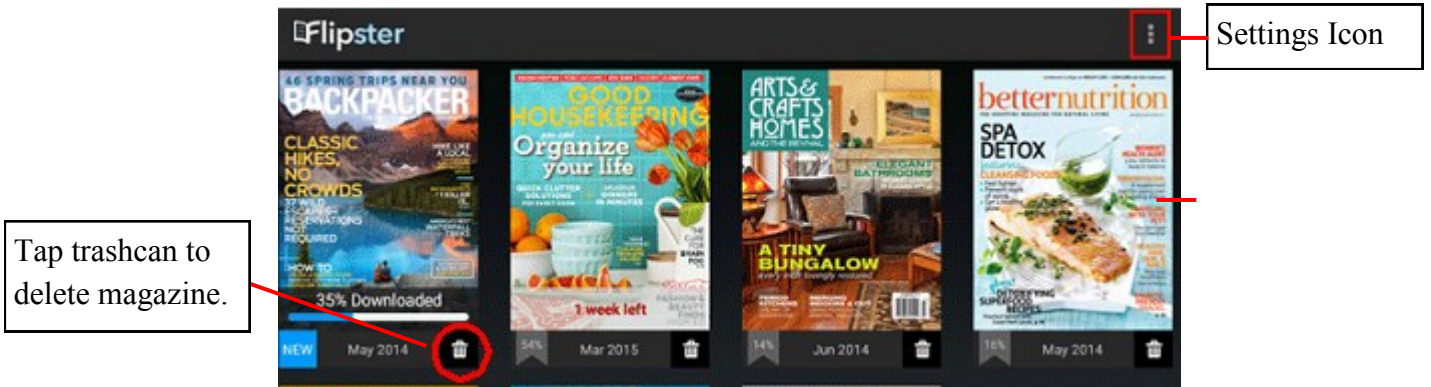

- Use the browser on your device to view Kitchigami Regional Library’s eMagazine collection through Flipster.
 - If accessing outside of the library, enter your library barcode number to login.
- Once you have found a magazine you would like to read, click on the cover to open it.
- Then, tap the menu icon in the upper left hand corner and select “Open in App”. The Flipster app will open and the magazine will be downloaded to the app. This will allow the magazine to be read offline.

More Information:

- Some magazines have expiration dates. Once expired, they will no longer be available to view until they are returned and then re-downloaded. There are no limits on how many times a magazine can be downloaded.
- There is no limit on the number of magazines you can download.
- To delete a magazine from your device, tap on the trash can icon in the lower right corner of the magazine.
